

HOWTH MARITIME & SEAFOOD FESTIVAL - SOCIAL STORY

The Howth Maritime & Seafood Festival is an exciting weekend in Howth. Its a free family fun weekend that celebrates our wonderful community.

The Festival is an outdoor event so you need to be sure to dress appropriately for the weather!

It will be a busy day filled with lots of things to do, like:

- Live Music
- Inflatables& Play Areas
- Kite Making
- Vintage Games

You might even see some Circus Acts.

There will be some inflatables and some games.
It might be busy and there maybe queues for some of the activities.

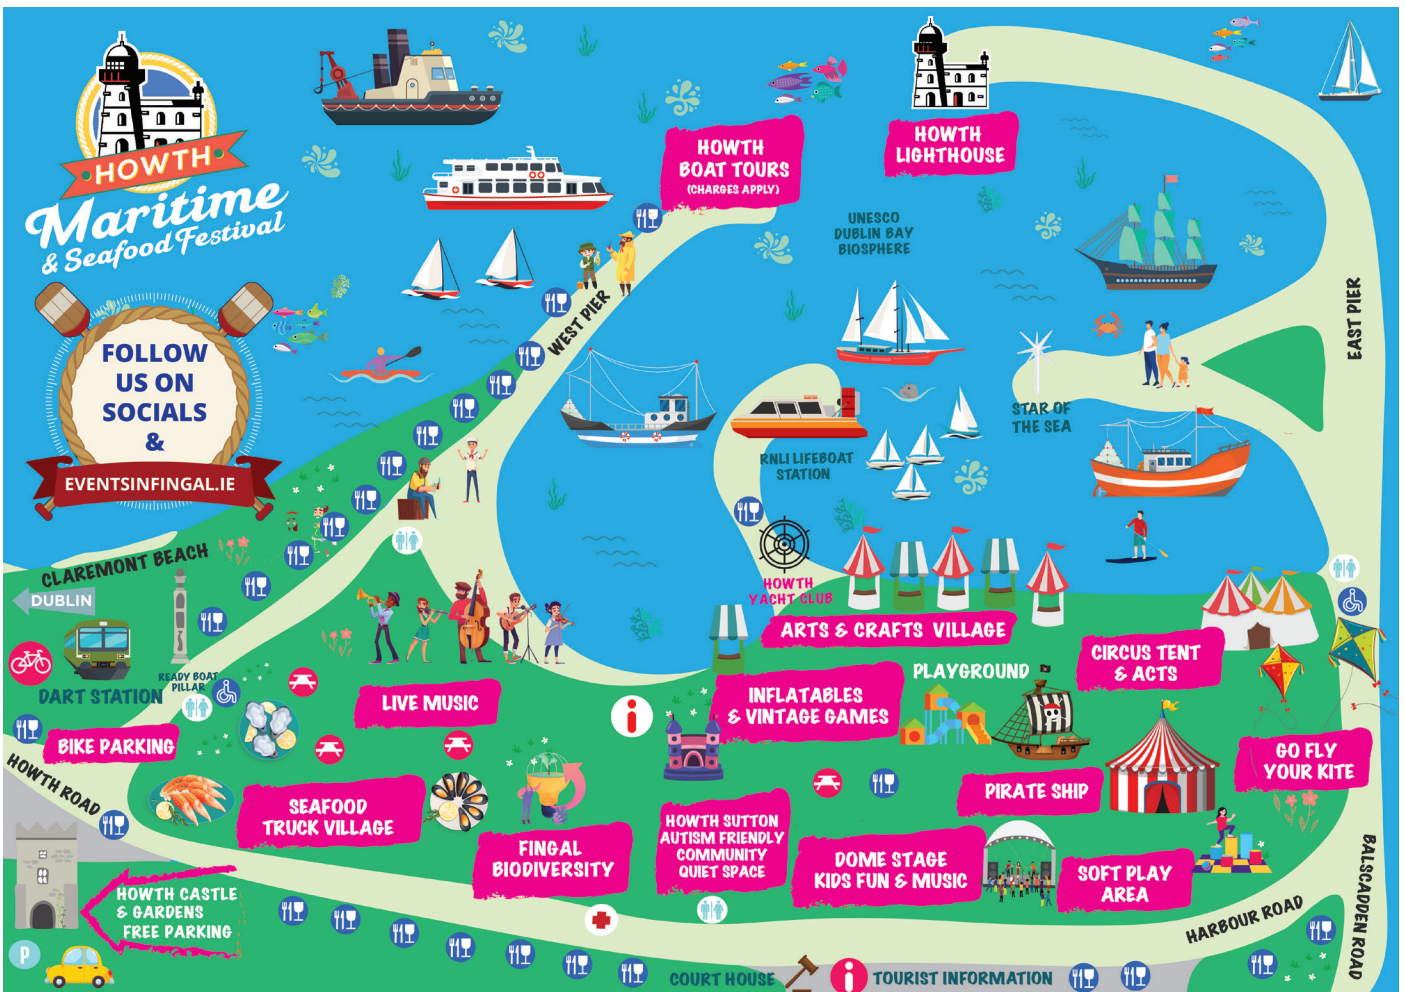

If you need a break, we have a small sensory area behind the information tent on the grass. This is a quieter space with some sensory items to help you feel calm. It will look a bit like this.

If you get hungry there will be lots of food stalls,
or you can bring your own picnic.

This is a map to show you the layout for the day

There will be toilets outside the Howth Dart Station, near the sensory area and at the East Pier.

You can find more information on www.eventsinfingal.ie and on our social media platforms at [eventsinfingal](https://www.facebook.com/eventsinfingal).

Everyone at Howth Maritime & Seafood Festival looks forward to seeing you and hopes you have a great day!
